

# National Student Parent Mock Election 2006

This is a printable version of the ballot for those who prefer to vote offline. Voters in all districts should use this ballot instead of the online NSPME voting system, due to changes in the issue questions.

## State of Kentucky

Directions: Please select a candidate for each office by checking the box next to the candidate's name.

### **Now it is your turn to voice your opinion!**

Below, you will find several questions that you can vote upon.

Think carefully about the questions asked and cast an informed vote!

#### **1. Of the issues below, circle the one you feel is the most important matter facing our nation today.**

- A. The war in Iraq
- B. Immigration
- C. Energy and the environment
- D. The economy
- E. Other

#### **2. Circle the statement that best reflects your opinion on the Iraq war.**

- A. The war in Iraq was a mistake, and the troops should be brought home immediately.
- B. The war in Iraq was a mistake, but now that we have made a commitment, U.S. troops should not be withdrawn until the Iraqi government can sustain itself.
- C. The U.S. was correct in invading Iraq and removing Saddam Hussein; the troops should remain in Iraq strengthening its new government.
- D. The U.S. was correct in invading Iraq and removing Saddam Hussein. The U.S. should use a similar strategy to deal with other potentially dangerous countries in the Middle East.
- E. I don't know.

**3. Circle the statement that best reflects your opinion on immigration policy.**

- A. The U.S. should have open borders to all those wishing to enter.
- B. The U.S. should protect its borders to prevent terrorists from entering, but anyone who is seeking work or who has relatives here should be allowed to enter legally.
- C. There should be strong restrictions on who may enter the U.S., but any illegal immigrants already living and working in the U.S. should be allowed to remain.
- D. There should be strong restrictions on who may enter the U.S., and all illegal immigrants already living and working in the U.S. should be deported.
- E. I don't know.

**4. Circle the statement that best reflects your opinion on global warming.**

- A. Global warming is over-hyped; there is no significant proof that the world is in danger.
- B. Global warming may be an issue in the future, but by that time, technological advancements will prevent it from causing serious harm.
- C. Global warming is a serious issue that we should address by reducing greenhouse emissions and using alternative energy sources.
- D. So much damage has already been done to the environment that only the most drastic worldwide measures would stop the effects of global warming.
- E. I don't know.
